## DIRECTORS CORNER

It is hard to believe it has been over a year since we made the difficult decision to shut down programming due to the COVID-19 pandemic. While we know the decision was made for the right reasons, it has been difficult to be away from our community in the full capacity we have grown accustomed to. However, Spring and Summer 2021 marks our return with a variety of offerings for the community. This upcoming Spring and Summer season will feature the return of RAP programs across all schools, full-day and half-day summer camp programming including CIT opportunities, PreK programs, and free summer concerts and movies. While the programs may still look a little different as we continually implement safety precautions, the quality and accessibility you expect from Southborough Recreation will not change. We can't wait to see you all!

**Tim Davis, CPRP**  
Recreation Director

# RECREATION AFTER SCHOOL PROGRAMS (RAP)

RAP classes are designed to provide development of academic, social, and physical skills for children in fun, friendly, safe environments. Programs are led by highly trained professionals and employees of the Southborough Recreation Department and located on the grounds of Southborough Public Schools. Classes begin at the end of the school day.

If a program is held offsite, it is the parent's responsibility to transport the student to the program. Prices and times vary by day. Visit [www.SouthboroughRec.com](http://www.SouthboroughRec.com) for full program descriptions, times, and pricing.
