# DIRECTOR'S CORNER

As the summer season comes to a close and I wrap up my second year serving as the Recreation Director here in Southborough, I find myself reflecting on what has truly been an unforgettable year. This summer was one to remember, with our Cordaville/Fayville summer program welcoming hundreds of happy campers during a successful seven-week season filled with special guests, friendly rivalries, exciting field trips, and countless memories. We also enjoyed a terrific summer concert series and block parties, and we welcomed hundreds more participants to our pottery, sports, SkyRise, pickleball, and other programs. This summer was truly special, and we THANK YOU for sharing it with us. Your participation, support, and enthusiasm are what make the Recreation Department such a vibrant part of our community.

As we look ahead, our department is gearing up for a busy and exciting fall/winter season. We are thrilled to bring back many long-time favorites while introducing new programs and opportunities for residents of all ages, including new RAP programs to kick off the school year, a great variety of seasonal activities, and the return of Skiing and Snowboarding later in the season. We cannot wait to get started and continue creating meaningful experiences for the Southborough community. Thank you again to everyone who makes this department so special—we are grateful for your continued support and look forward to another great year ahead!
